

Application No.: 10/521,839

Docket No.: 66221-0037

REMARKS

By this Second Preliminary Amendment, new claims 24 – 45 are added. By action taken here, Applicant in no way intends to surrender any range of equivalents beyond that needed to patentably distinguish the claimed invention as a whole over the prior art. Applicant expressly reserves all such equivalents that may fall in the range between Applicant's literal claim recitations and combinations taught or suggested by the prior art.

Prior to a formal examination of the above-identified application, acceptance of the new claims is respectfully requested.

Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 18-0013, under Order No. 66221-0037 from which the undersigned is authorized to draw.
